For the smallest possible house edge in Roulette, be sure to try out Playtech's Live Single Zero Roulette and French Roulette tables. With only a single green zero on the wheel rather than two zeros like American Roulette, you're reducing the edge in favour of you, the player.

Better still, thanks to Playtech's hugely engaging live streaming technology, you can enjoy a bricks-and-mortar casino experience with real-time Live Roulette action streamed directly to your device. You'll be able to interact with your professionally trained dealer and see and hear the action unfold, just like you would in an actual casino.
